“ My dad who passed away on Thanksgiving 2017 met Donna when I was about 5 yrs old (41 now) they were together nearly 12 years before getting married. And they got married like 2 teenagers in love, they ran to Ohio. Donna was a great mom to me, almost every weekend after losing my dad I would invite her over to watch a movie, it became our thing. I didn't want her to be alone, and since my dad's passing she felt alone. Her passing was so unbelievably unexpected, she wasn't sick, Unhealthy in anyway. If I only have 1 thing to say now is that she isn't alone anymore, she's back with my dad and they will both be missed daily. About a year before my dad passed, I was thinking (I need to get married so I can have my dad there) after he passed I always thought I would for sure have my mom there, but I never found anyone to marry and now it's to late.

Donna was a great person to everyone she worked with, and she was very dedicated to her job. She worked at basf in Wyandotte over 30 years, and to think when my dad met her she worked at Taco bell.

About 14 year's ago, I got a cat (Mr Bojangos) and when I decided to move to Idaho I couldn't take my cat, Donna was happy to take her (yes her, Mrs Bohannon didn't sound right) and that was it, the cat was her from then, and she loved her, and spoiled her.

I don't know what else I could say but I'm still going through the grieving, but she was loved, liked and looked up to from soany people that knew her and she will be remembered and missed

“ To the family of our sweet sweet Donna, May God be with you. I have known Donna for many years as our senior security team member at BASF. I'd had many prayers with her after the loss of her husband. She was the sweetest person and I know that she is reunited with Bob. May God bless her soul. Rest well sweet lady D. We will miss you dearly at BASF.
