“ Regina always made me feel as tho I was a part of her family and although we didn't always see eye to eye as many do we always found each other...Regina was my second mother and Amanda my sister.. Regina had a big loving heart and would give you the shirt off of her back if she could.. My heart is heavy with grief I just wish that I hadn't ran out of time to let her know that yes we haven't talked in a while but she still made a huge impact in my heart and life... I love you and you will be truly missed

“ Regina, was such a loving caring women who filled the room with such happiness. You knew from the start when she walked in the room she either had some words for ya, or she was dying to crack a joke with ya. She always made me smile an laugh along side with her. She will be remembered forever in my heart love you regina. Love Amanda <3
